

Asahi India Glass Limited (AIS) is India's leading integrated glass solutions company, established in 1984 as a joint venture between Asahi Glass Co. Ltd. (AGC Inc., Japan), Maruti Suzuki India Limited, and the Labroo family. AIS holds a dominant share of the Indian automotive glass market and operates 13+ manufacturing plants and sub-assembly units across India — including its facilities at Kharkhoda and Bawal, Haryana — serving leading OEMs with world-class automotive, architectural, and consumer glass products.

Factrika is a recruitment platform connecting verified manufacturers with skilled factory workers in India. It ensures trusted hiring and pre-screened candidates, empowering the manufacturing sector with faster, safer, and transparent placements.
