I hope you are doing well.

I am Taranjeet Singh, representing **BVG India Limited**, one of India's leading integrated facility management companies, with over 27 years of service excellence and operations across 28 states in India. Established in Pune in 1997, BVG has grown into a diversified business group with expertise across Facility Management, Life Sciences, Nuclear Applications, Agro, Clean (Solar) Energy, and Food Processing. Our international presence extends across the USA, Saudi Arabia, UAE, Singapore, Cambodia, and Zimbabwe.

BVG India Limited is registered with the Ministry of External Affairs (MEA), Government of India, for international workforce mobility. Through our International Workforce Mobility Unit, we facilitate ethical, skill-based, and compliant deployment of Indian blue-collar and white-collar professionals across Russia, Europe, the GCC, Japan, Australia, Canada, Southeast Asia, and other international markets.

We provide end-to-end workforce deployment solutions, covering candidate sourcing, screening, skill training, certification, documentation, compliance, and deployment. We work closely with State Governments, Sector Skill Councils, accredited training institutions, and industry partners to develop demand-driven workforce pipelines aligned with employer requirements.

Please find our corporate profile attached for your kind reference.

We would be pleased to explore support from District Employment, Varanasi, Uttar Pradesh, to identify, source, and deploy suitable candidates for international employment opportunities.

Current Vacancies

Please find below the three active vacancies for which candidates are currently required. Detailed requirements are attached for your reference:

1. Construction Sector – Vacancy 1 – 400 AED Joining ticket reimbursement is provided. CV and working video are required for the selection process.

We request you to kindly share suitable candidates' **updated resumes at the earliest**, along with the required working videos wherever applicable, so that we can forward the profiles to the client for further processing. Alternatively, we would be pleased to **participate in job fairs organized by your department**, where we can directly interact with jobseekers, identify suitable candidates, and conduct the initial screening as per the international employer requirements.

We look forward to your positive response and to building a mutually beneficial and support from Sewayojan department.

Kind regards,
